EXHIBITIONS DEFINITIONS

OPEN : Any subject treated pictorially. A pictorial treatment is one embodying the elements of good design, impact, appeal, arrangement ,composition, interest and good lighting which reflects the interpretation of the photographer.

SET TOPIC A Topic set on the groups programme and defined by the group.

NOTE:

Outings will be arranged throughout the year. Members will be advised in the groups newsletter, on the groups website and at groups meetings. Please give some thought as to where you might like to go.

Workshop will also need to be discussed on what type and when and where held
